Declaration of Emergency – Chacon Area

THIS DECLARATION OF EMERGENCY is made this 26th day of January, 2017 by the Mora County Commission.

WHEREAS, some County Roads and Driveways have been rendered extremely dangerous and impassible due to recent snow fall and high winds; and

WHEREAS, Mora County is concerned for the health and safety of its citizens and the general public who rely on these roads for transportation; and

WHEREAS, the Board of County Commission of Mora County has determined that it is critical to immediately clear these roads and driveways.

NOWHEREFORE, Mora County hereby declares an emergency condition in the Chacon area with the roads, driveways, and easements in this area which has created an immediate and serious need for services the lack of which would seriously threaten:

1. the function of government
2. preservation and protection of property; or
3. the health and safety of any person

The County therefore instructs the County Manager to take measures as may be allowable under the provision of this declaration to cause the immediate professional assessment as may be necessary.

IN WITNESS WHEREOF, the Board of County Commissioners considered and approved this Declaration of Emergency as of the 26th day of January 2017 as written above.
