Notice

On behalf of Mora County, I am pleased to share the following update from Jesus Lopez, counsel for Mora County in the Whites Peak Litigation.

Mr. Lopez reported that: Yesterday the Court of Appeals affirmed the trial court's decision in the White's Peak Road case. The decision was unanimous, holding that the 11 roads are PUBLIC roads.

The Court of Appeals did order that the district court determine the width of each road. This is a big win!!

The opposing party may appeal to the NM Supreme Court, but the legal team feels confident the result will be the same!

Thank you to Mr. Lopez for his advocacy and congratulations to Mora County and those who visit our beautiful White's Peak. Public access has been preserved!

A message from County Commission Chair George A. Trujillo.
